

Our commitments for 2025

Human

- Be a responsible employer in a climate of trust and mutual respect
- Engage our team to fulfil compliance obligations regarding safety, health and environment
- Foster a diverse, equitable and inclusive workplace. We commit to respect human rights in all our activities and business relationships.
- Contribute to local socio-economic development
- Raise awareness amongst guests in a fun and playful way, and be a responsible host

Nature

- Protect and enrich the natural capital of our sites, as well as defining an ecological management plan
- Limit our environmental footprint and contribute to climate change mitigation by reducing by 25% our energy consumption (ref 2019), building performance and development of renewable and green energy solutions, 100% of the total portfolio consists of green electricity
- Reduce impact on natural resources by reducing our water consumption by 16% (ref 2019)
- Improve our waste management and achieve 70% of sorted and valorised waste
