4. Sanitary measures

- Some exceptional measures, depending on the health, safety and health situation, may be implemented - strictly - for a limited time

5. General

- Persons and/or groups found or expected to disturb order or peace may be denied access to the beach and/or restaurants.
- Every visitor must behave in such a way as to ensure order, safety and hygiene.
- Service and/or staff areas are not accessible to visitors.
- In case of excessive crowding on the beach, in connection with the maintenance of safety, the number of visitors may be limited. In connection with maintaining the safety of visitors, the management may reserve the right to change the opening hours of the beach and close all or part of the complex.
- It is necessary to respect the opening and closing times.

6. Liability

The management accepts no liability for theft, damage to visitors' property on the beach, parking lot, bicycle parking and other accommodations. Visitors who damage Center Parcs property will be held liable for all costs arising from repairs and/or replacement.

Access to the beach is at your own risk.

7. Flotation devices

Parents and/or guardians should ensure that persons who cannot swim properly wear flotation devices. They are an aid to floating, but are not a guarantee against drowning. Even when using flotation devices, persons who cannot swim properly should swim only when accompanied by an adult.

Remarks

In the unlikely event that a complaint arose during your stay, which was not resolved according to your expectations on site, please notify management in writing as soon as possible.
