\*The mentioned offer of activities, facilities and availability of Aqua Mundo per period of stay is the currently valid offer and is at all times subject to changes as a result of (government-imposed) COVID-19 measures and the number of guests staying in the park.

Dark Green: We strive to ensure that guests staying in the park can swim twice during their stay.

Light Green: We strive to ensure that guests staying in the park can swim once during their stay.

Red: We cannot guarantee that guests staying in the park will be able to swim during their stay.
