

## The Pod

Experience the authentic camping feeling at Camping Port Zélande by spending the night in one of the Pods. This adventurous and comfortable way of spending the night is ideal for a camper who does not want to spend time building up a tent.

The Pod is made of wood and blends into the wooded surroundings of Center Parcs' campsite. The accommodation is fitted with double-glazed windows and insulated with sheep's wool. Thanks to the chosen materials and the special design, the accommodation feels adventurous and secure. The Pod is a great accommodation for both long and short holiday.

*The Pod accommodation can be booked from 2 nights. You can bring your own bedding, but rental at the campsite reception is also possible.*

### Pod Standard

This accommodation has two separate single beds. The Pod is also equipped with a stove, lighting and a bistro set (table and 2 chairs). Outside is a picnic table where you can enjoy in the sun. Are you staying with more than 2 people? Then you can bring your own air mattress/mat.

### Pod de Luxe

This accommodation has 4 fixed beds (1 double mattress and 2 separate single mattresses). In addition, the Pod is equipped with a fridge, heater, lighting and a bistro set (table and 4 chairs). Outside is a picnic table where you can enjoy the sun.
